46 members were present. New members Lyn and Mary Schuette were recognized.

Treasurer Dan Cardinal gave the report on the club finances.

Team Reports:

Tom Sizemore announced continuing work on the website and that the For Sale link is up. Members may list cars/parts for one month and request to renew. If no request, item comes off the link.

- Jerry Wilcox discussed recent repair and restoration activities at Tech Central. Jerry also announced that the GT6+ experienced some difficulties at Sebring and is back home at Tech Central for repairs. The VW Golf is nearly ready to race again, however.
- Bruce also announced the general club members' point standings. Jerry also noted that he bought 2 Triumph GTs as parts cars for parts for the GT6 racecar. When stripped of the usable parts, that will make 3 hulks necessary to remove to the scrap yard.
- Marji Wilcox announced that renewal applications were available and encouraged members to renew now to avoid the rush in January. Marji also requested that those interested in attending the Christmas party give her the check prior to December 10. Party is on December 14.
- Ken Oehler encouraged members with MGBs to join North American MGB Register, so the club could gain club benefits.
- George Krause encouraged members to attend the Concours d'Elegance/Peoples Choice show at Amelia Island.
- It was noted that the Kool Kruisers of Naples invited our club to their Christmas party.
- Headley noted that the British American Club also invited us to their Christmas dinner on 12/17/10.

- Bruce Skaggs noted that the Celtic Club is having a car show on January 22 and asked for a show of hands of those interested. Many members responded that they would. Bruce said we had enough time to spruce up our cars, at Tech Central if needed, so we would make a good showing.

Meeting adjourned at 8:15 pm.

Respectfully Submitted, Ken Oehler, Secretary
