

April Meeting Minutes – BCCSWF
Ken Oehler, Secretary

The April 8, 2014 meeting was held at Famous Dave's BBQ in Ft Myers. You could tell "season" was coming to an end as there were fewer members in attendance than the past few months. The meeting was opened by club President, George Krause at 7:00 pm. New members John and Barb Leversedge and Rollie and Lauren Welch were introduced. John is a proud owner of an MGB-V8 – only one in the club. Rollie and Lauren are proud owners of a beautiful 1973 MGB. Future members of Tech Central, I'm sure.

Treasurer Jackie Hill gave the treasurer's report, including receipts of the 50/50 raffle.

The only member present whose birthday fell in the month of April was Janet Iagnemmo and a rousing BCCSWF rendition of "Happy Birthday" was sung to her personally.

George reminded the members of the upcoming Memorial Day outing to the Arcadia cemetery to honor the British airmen who died there while in training for World War II.

Terry Luck reviewed other upcoming events:

- Tour of the Koreshan State Park historical environs of the Koreshan's utopian society, the New Jerusalem, and picnic on the scenic Estero River on the park grounds following the tour.
- Seminole Casino "Balloons over Florida" British car show on April 26th. Email notice with details to be sent soon.

Harry Hartwell reported on the Winter Park Car Show, that he, Dio Perez and Dennis McKinley drove as a caravan to Winter Park, FL, and had a great time there.

Gary Dworkin reported that he had gone on a tour of the Collier Automotive Collection as it has been opened to the public. He couldn't say enough about the cars on display, that each one had an important history story in the evolution of the automobile. He stated that at the end of the tour, they asked if anyone was interested in serving as a volunteer as a guide or docent. Gary readily volunteered. Good news, Gary. When the club goes on its next tour of the Collection, we'll expect to be guided by you.

The 50/50 raffle was won by Bruce Skaggs.

The meeting was concluded at about 7:45pm.
