

BRITISH CAR CLUB OF SOUTHWEST FLORIDA

October 9, 2018

Meeting Minutes

The meeting was called to order by President Bill Newman at 6:30pm. Bill welcomed Sandy and Edie Sanders and their daughter Heidi who are potential new members. They have a 1987 Jaguar XJS that they will be bringing to their home in Naples.

Secretary Newman gave her report and stated the minutes from past meetings are on the web-site and also published in the British Marque. She also asked for articles for the Marque from the membership.

Treasurer Tom Brewsaugh gave his report and stated we had 89 members.

Past Events

Put-In-Bay Race

President Bill stated he took his last flag in racing at the Put-In-Bay Races on South Bass Island located in Lake Erie. Bill and Mary towed the GT6 race car 1300 miles to the ferry to the island on Saturday September 22nd. There were many events over the next several days. There was parade of the cars around the island. There also was a car show at one of the two Wineries on the Island. The car show was well attended. After the show the cars ran the old race course through town. They had two laps and Bill really enjoyed the event. The first racing events happened on Tuesday. Bill ran two laps and determined that he had too much difficulty breathing to complete the racing events. We were fortunate enough to be able to sell the car race car to some fellow Triumph lovers and the car stayed in Ohio.
